MONO STRINGERS ARE
MADE-TO-ORDER IN
AUSTRALIA

Build now with ready made Dual Stringers.

- ✓ Simple to configure for all project types
- ✓ 1 to 17 treads ready made
- ✓ Hot-dip galvanised to AS/NZS 4680:2006 for maximum corrosion resistance.
- ✓ Easy to install via concrete cast-in or optional bolt-down bracket
- ✓ Fits 1000mm wide treads
Pairs with optional steel stair treads.
- ✓ Complies with the NCC[^] when a minimum tread height of 50mm is used.
- ✓ Complies with AS1657:2018, engineered to the requirements of AS1170.1:2002
(up to a UDL of 4.0kPa and a point load of 4.5kN).
